

When my family members and friends see me,
they say "hi", "hello", or they wave.

When they say "hi"
or wave, I should say
"hi" or wave back.

When I say "hi" to my friends, I can say ...

Hey there!

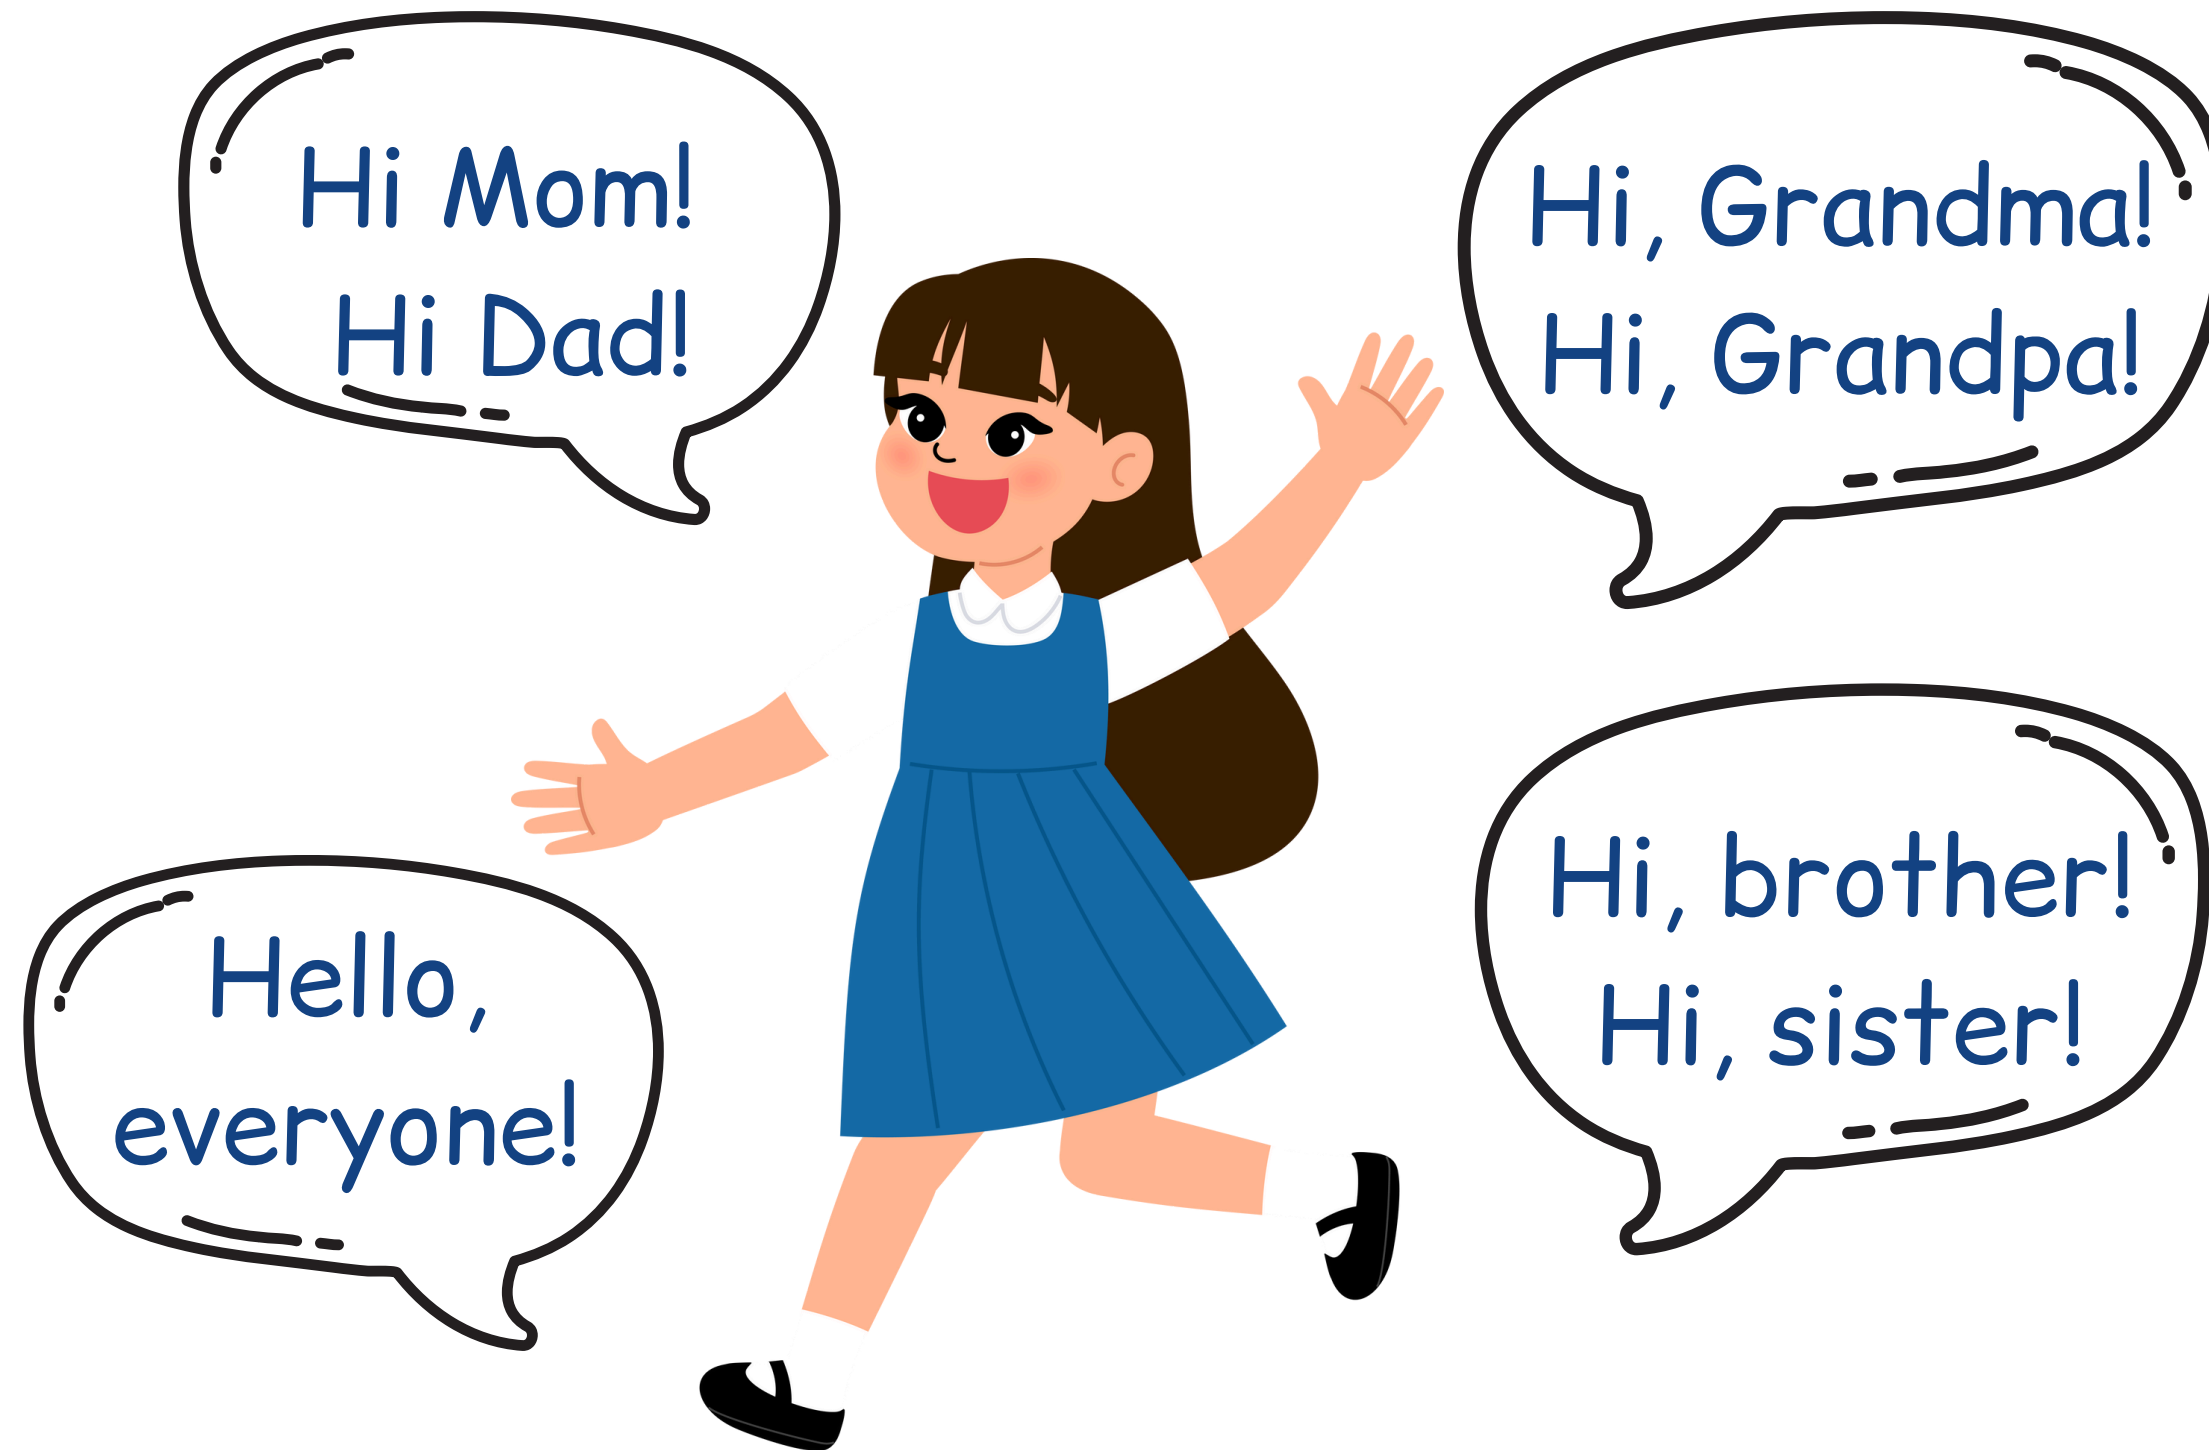

How's it
going?

Hi, buddy!

What's up?

When I say "hi" to my family, I can say ...

When I say "hi" to an adult, I can say ...

When they are leaving,
they say "bye", or wave.

• When they say "bye"
or way, I should say
"bye" or wave back

I can say ...

Now I know how to say "hi" and "goodbye" to people.
